jamaica1stward.org/vaccine

The rapid development of the COVID-19 vaccines is a miracle of modern science – but we know that they leave many members of our community with a lot of questions and concerns.

We are here to help.

We'll take your questions and concerns and pose them to a public health expert and get the answers you need to make an informed decision about vaccination for you and your family.

**Presented by the
Jamaica 1st Ward of The Church of
Jesus Christ of Latter-day Saints
and our neighborhood partners**
