JAMAICA 1ST WARD

13 JUNE 2021

The Lord expects us to teach that inclusion is a positive means toward unity and that exclusion leads to division.

As followers of Jesus Christ, we are dismayed when we hear of how children of God are mistreated based on their race. We have been heartbroken to hear of recent attacks on people who are Black, Asian, Latino, or of any other group. Prejudice, racial tension, or violence should never have any place in our neighborhoods, communities, or within the Church.

Let each of us, no matter our age, strive to be our best.
