MEMBERS OF THE CONGREGATION

In fast and testimony meetings and in conversations you have with family members and friends, you may feel prompted to share your testimony. In such instances, remember that you do not need to share a long, impressive discourse. Your testimony will be most powerful when it is expressed as a brief, heartfelt conviction about the Savior, His teachings, and the Restoration. Pray for guidance, and the Spirit will help you know how to express the feelings in your heart. You will find great joy as you help others share in the hope and assurance the Lord has given you.
