- Online ward and stake calendars at ChurchofJesusChrist.org/calendar
- Online calendar of churchwide events at events.ChurchofJesusChrist.org

To view the stake and ward calendars on the church's website, you will need a login for the site, also called a Church Account. You will need your church membership record number (MRN), shown on your temple recommend, to link your Church Account to your church record and gain access to the ward calendar, directory, and other information. If you do not have a temple recommend, please ask a ward clerk for your MRN.

Broadcasts can be viewed live at ChurchofJesusChrist.org and other church media channels at the times indicated above or streamed later at home or in organized gatherings.
